Dear Sir:

In the Office Action mailed March 20, 2008, the Examiner stated that the IDS filed on November 29, 2007 failed to comply with 37 CFR 1.98(a)(2) which requires a legible copy of each cited foreign patent document, and set a one month period for submitting the requested documents. The Examiner states that the JP patent documents were not submitted, and that the foreign patent document needs to be submitted in full. Enclosed are complete copies of the JP patent documents listed on the PTO/SB/08 equivalent filed on November 29, 2007, along with English abstracts thereof. Thus, the IDS is now in compliance with 37 CFR 1.98(a)(2). Because the previous IDS was filed prior to receipt of a first Office Action, and the present IDS is submitted in response to the Examiner's request, no fee is believed to be due.

Respectfully submitted,
